

Stem Cell Lecture Series WS 21/22 – List of talks
Tuesdays from 5:15 to 6:00 pm
ZOOM

Prof. Dr. U. Eysel	Ruhr-Universität Bochum	Gute wissenschaftliche Praxis - scientific correctness	Tuesday, 26.10.21
PD Dr. H. Zähres	Ruhr-Universität Bochum/ MPI Münster	Cellular Reprogramming I	Tuesday, 02.11.21
PD Dr. H. Zähres	Ruhr-Universität Bochum/ MPI Münster	Cellular Reprogramming II	Tuesday, 09.11.21
Dr. Helmut Bühler	Marienhospital Herne	Cancer stem cells	Tuesday 16.11.21
Prof. Dr. M. Fuchs	Katholische Privatuniversität Linz	Ethical and legal aspects of stem cell research	Tuesday 23.11.21
Prof. Dr. R. Heumann	Ruhr-Universität Bochum	Possibilities and limits in cell replacement therapy in the brain	Tuesday 30.11.20
PD Dr. Josephine Herz	Universität Duisburg-Essen	The therapeutic potential of mesenchymal stromal cells - hopes and challenges	Tuesday, 07.12.21
Prof. Dr. S. Pfänder	Ruhr-Universität Bochum	Organoid cultures for the study of coronavirus infections	Tuesday, 14.12.21
Prof. Dr. B. Giebel	Universität Duisburg-Essen	Early human haematopoiesis	Tuesday, 11.01.22
PD Dr. Martin Eisenacher	Ruhr-Universität Bochum	Bioinformatics for Proteomics and other 'Omics	Tuesday, 18.01.22
PD Dr. H. Klump	Universität Duisburg-Essen	Development and Gene Therapy of Hematopoietic Stem Cells	Tuesday, 25.01.22
